

**CHECKLIST FOR REQUIREMENTS UNDER THE
PA CHAPTER 92, 102, AND 105 REGULATIONS**

Please have the applicant fill out the information below. This form can be retained by the municipality; any "YES" answers should be forwarded to the MCCD. The municipality can simply email the form to the Mifflin County Conservation District @ mifflinconservation@gmail.com and the MCCD will work directly with the applicant to ensure that they are meeting all applicable Chapter 92, 102, and 105 requirements.

APPLICANT INFO SECTION

If your project creates impervious area (stone, buildings, blacktop, etc.) you should ask the municipality if you are required to follow the local Act 167 stormwater ordinance.

Applicant Name: _____

Applicant Address: _____

Applicant Phone and Email: _____

Does the project involve in any way a wetland, stream, floodplain area, dam, pond, or small waterway conveyance? YES or NO (please circle one)

Read the chart below: Does the project fit into any of the boxes to which the answer is YES? If so further assistance from the MCCD may be needed.

Disturbed Area	Written Erosion and Sediment (E & S) Plan Required?	E & S Plan Approval Required?	NPDES Stormwater Construction Permit Required?
0-5000 Sq. Ft	NO (unless in HQ, EV watershed or if other DEP permit are required)	NO*	NO
5000 Sq. Ft to <1 acre	YES	NO*	NO
1 or more acres	YES	YES	YES

*Even when approval by the Conservation District is not required under PA Chapter 102 the local municipality may require the applicant to submit an E&S plan to the Conservation District for approval prior to issuing municipal final approval. Complaint investigations may also require E&S plan submission. Reminders for municipalities below.

Regulatory responsibilities of Local Governing Bodies

Chapter 102.42 A municipality or county which issues building or other permits shall notify the Department or conservation district within 5 days of receipt of an application for a permit involving an earth disturbance activity consisting of 1 acre (0.4 hectare) or more.

Chapter 102.43 With the exception of local stormwater approvals or authorizations, a municipality or county may not issue building or other permit or approval to those proposing or conducting earth disturbance activities requiring a Department permit until the Department or Conservation District has issued the Erosion Control Permit or the appropriate NPDES Permit for Stormwater Discharges Associated With Construction Activities under Chapter 102.5.
